Joyn Conferencing

Meetings and conferences are becoming increasingly important in modern work because teamwork and communication are essential for many jobs. Joyn Conferencing fulfils these needs with Vitra. The Joyn Conferencing solutions are designed as fixed table systems with the advantage of intelligent electrification.

With its reserved, harmonious shape, Joyn Conferencing can be easily integrated in every office layout. Vitra offers a wide range of solutions to present conferences in a contemporary style that suits your needs: All conference table systems are extraordinarily durable products made of high-quality materials.

Customised adjustments to room requirements, cabling, sizes and surfaces are possible. Contact your Vitra retail partner.
